Here is where we are preparing of our medication for the long journey toward the countryside where our patients are long awaited (Above).

This image depicts the type of difficult terrain our CAMC team has to endure to reach our remote destination (Above).

CAMC – Cambodian American Mobile Clinic Inc.

(A Humanitarian Effort to Help the Needy thru Physical Healing)

About Us

The Cambodian American Mobile Clinic, Inc. (CAMC) was founded in 2009 by Mr. Tin Iv.

CAMC is registered as a 501(c)(3) Non-Profit Charity Organization in the US and Cambodia.

Our Organization has just recently signed an agreement of Cooperation with the Royal Government and the Ministry of Health in Cambodia.

Patient is excited to be able to see clearly for her 1st time of receiving her new prescription glasses.

Our team receiving a warm welcome from the Mayor (top left). People are waiting in line patiently to register their names to be seen by Medical Staffs (bottom). One-by-one, Patients are signing-in (top right)

Get Involved

With your Contribution of \$12⁰⁰ annually means you play a part in helping to promote Healthcare Services in Our remote Region. Your Donations are Tax Deductible. Your Financial Support will help us to implement the following Objectives at no cost to Patients:

- ❖ Preventive Medical cares,
- ❖ Medical treatment,
- ❖ Prescription Med.,
- ❖ Pharmaceutical supplies,
- ❖ Vision care (*prescription glasses*),
- ❖ Emergency Transportation
- ❖ Hospital Beds
- ❖ Surgical Equipment

Long Term Goals

In order to expand Our Mission in the near future we need your helps. These Helps will include:

- Dental Care Services,
- Vision Care Services,
- Trained Medical Staffs,
- Volunteer Workers/Supporters
- Sponsorship for Mission Trips (*both Long/Short Term*)

Urgent Needs

Our Goal is working with the local Government Officials to provide a variety of Healthcare in remote area of Cambodia.

We work with Local Medical Staffs with the supports of Professional Medical Team from both the US and Cambodia. Through Our effort and Commitment to this Project, Cambodian people who are facing health issues will be able to receive

An adequate Medical Care Services throughout the remote Region.

In order to meet Our Goal, We are seeking the Financial Support to accomplish this Mission.

Our Urgent needs are:

- **Transportation / Ambulance**
- **Local Medical Staffs**
- **Pharmaceutical Supplies (OTC)**
- **Medical Equipment / Supplies**
- **Vision Care**

We partnered with Global Samaritan Organization they Sponsored Our CAMC to launch its 1st Mission in Cambodia of 2009.

Patients are waiting in line to receive their prescription medication.
